

85TH GROUP LOGISTICS SQUADRON REQUIREMENT FOR A LEASE VEHICLE

Statement of Work/Description:

1. The 85th Group Transportation Department has a requirement to lease a mid-size 4X4 Sport Utility Vehicle. The duration of the lease will be between 3-5 years. Vehicle must have less than 1,000 miles upon acceptance and have a maintenance/warranty contract for the term of the lease period. A replacement vehicle must be provided if the lease vehicle is in for maintenance for 48 hours or longer. The vehicle must have a UHF/VHF radio unit and antenna installed inside the vehicle. The vehicle must have the capability to carry 5 passengers.
2. Interested contractors are asked to call 425-4626.
